

Functions and Events

The Bolton Hotel understands that all events are not created equal. Demands are different, outcomes vary – however getting the most out of your participants is paramount for all.

Now taking functions to the next level, the Bolton Hotel and Artisan Restaurant have developed the perfect combination of stylish boutique facilities, unparalleled service and catering to make yours a successful and memorable event.

Our principle facilities, the Bowen and Mowbray Rooms, offer a superb environment for boardroom meetings, seminars, conferences, private dining, and other events in an elegant, exclusive and modern atmosphere.

These rooms are ideal for private dinners for up to 45 guests, boardroom style seminars for a maximum of 35 people or presentations in a theatre style for up to 60 guests.
