CAPTAINS RESTAURANT BEERLIST

The ***HOFBRAUHAUS AM PLATZL*** is a beer hall in the city centre of Munich, Germany. Originally built in 1607 and strictly following German brewing purity laws dating back to the 15th century, the modern day house has over centuries served many famous drinkers including Wolfgang Mozart, Winston Churchill & Adolf Hitler. Today it is more famous for the annual Oktoberfest, an annual pilgrimage to the worlds beer drinking purists. Over 30,000 Steins (1 Litre) of beer are consumed in a normal day, and the recipe has changed very little over 500 years. This beer is directly imported from Munich to you, we trust that you enjoy the unique difference.
