

Good evening & welcome to LONE STAR

Good evening and welcome to the Lone Star Cafe. We are thrilled that you have chosen to dine with us tonight and whatever part of this special country you are in we hope your time with us will be hugely enjoyable.

Have fun partaking of all the things that have made us famous over the years. Great food, service, music and atmosphere.

20 years in this business is a long time and none of it would have been possible without you and all of our guests. We've loved every minute of it, sometimes we think it is like being the host of a never ending party at our place. Tonight we hope you enjoy the party and that you take home some of that staunch Lone Star cowboy spirit with you.

Thanks for your wonderful loyal support over the years. Long may it continue and we look forward to seeing you again soon.
