TAKING THE EXPERIENCE

HOME

We can freshly grind any of the following blends to your specific requirements.

ITALIAN ESPRESSO

A complex blend of six origins gives this blend some exceptional flavour qualities. A sweet piquancy for the coffee drinker who likes real depth and complexity in the flavour profile of their coffee. A must try.

NEW ORLEANS

Nutty & lively with subtle caramel overtones. A touch of dark roast enhances its rich, well rounded flavour. Great as a short or a nutty toned latte.

ESPRESSO 165

An easy drinking blend made up of Latin American origins which produce a nice soft, lively flavour with a hint of Asia Pacific beans to fatten the body. Ideal in a plunger with lots of subtle notes to enjoy. A nod to our spiritual home of 165 Victoria St.

RE:START

FAIR TRADE ORGANIC

6 different origins of beans blended after roasting to produce a really full-on coffee with plenty of depth to it. Made for coffee lovers. Hummingbird will give 30 cents from each 200 gram pack of Re:START blend to the rebuild of the Court Theatre in Christchurch.

OOMPH

FAIR TRADE ORGANIC

Africa is the anchor region of this blend, which gives it its winery floral notes and chocolate, cocoa overtones. Strong, smooth & rich in flavour with great body, a long lingering aftertaste and medium acidity. Our house blend.

DECAFFEINATED

FAIR TRADE ORGANIC

A 3 bean blend specifically chosen for real flavour and depth. As good as it gets with no caffeine. Processed by the Swiss Water Method.
